Dear Louise,

For over 50 years, I have been wanting to share the stories that you will find in this attachment. I wrote them as a series of 16 poems in free verse, and added a few of my pictures that go with the stories. I think the tales illustrate many aspects of the indigenous psychology of my traditionalist Fulani peasant friends. Louise, if you deem it appropriate, please feel free to share this with the IP list.

Love,
Mitch

Very cool Mitch!

I'm on the lookout for raptors divebombing my kids now :)
