

# [DIV56\_COVID19\_INTERDIVISIONALTF] Webinar - Consequences of a Crisis: Why it is even more evident that there can be no psychology without culture

Register here: <http://div52.net/webinars/>

## DIVISION 52 WEBINAR

This Webinar is open to the public and will be followed by an opportunity to ask the presenter questions

### The Pandemic Seminar Series: Consequences of a crisis: Why it is even more evident that there can be no psychology without culture

**Speaker: Nandita Chaudhary**

**Organizer(s): Luca Tateo and Pina Marsico**

**Moderator: Falu Rami, Ph.D.**

**Host: Karen Brown, Ph.D.**

Nandita Chaudhary is a Consultant and collaborator for projects, programmes and publications on Child Development, Family Studies and Cultural Psychology with specific reference to Indian communities. She blogs at Masala Chai: Musings about little people <https://masalachaimusings.com/>. She has taught at Lady Irwin College, University of Delhi. She has been a Fulbright Scholar and Senior Fellow of the Indian Council for Social Science Research.

Dr. Chaudhary is the author of 'Listening to Culture: Constructing reality from everyday talk' (2004, Sage), and has co-edited five volumes: 'Resistance in Everyday life: Constructing cultural experiences' (2017, Springer), 'Cultural psychology and its future: Complementarity in a new key' (2014, Information Age), 'Cultural realities of being: Abstract ideas within everyday lives' (2013, Routledge), 'Dynamic process methodology in the social and developmental sciences' (2009, Springer), and 'Researching families and children: Culturally appropriate methods' (2008, Sage). She is an Associate Editor for the journal Culture & Psychology and is on the editorial board of three other journals. She has written several chapters and articles on childhood, family life and education in India. She can be reached at: <http://www.nanditachaudhary.in/>

This program, when attended in its entirety, is available for 1 continuing education credit. The Department of Clinical Psychology at Seattle Pacific University (SPU) is approved by the American Psychological Association to sponsor continuing education credits for psychologists. The Department of Clinical Psychology at Seattle Pacific University maintains responsibility for this program and its content. There is no known commercial support for this program.

#### **Learning Objectives (The webinar fits levels of introductory and intermediate.):**

1. To discuss how periods of crisis can impact individuals and collectives
2. To describe the onset, spread and consequences of the pandemic in the Indian subcontinent and to discuss how India was viewed from the outside
3. To discuss the future of psychology, especially in making sense of crises in culture
