Good day colleagues and I trust this note finds you all safe and well in these troublesome times.

The American Psychological Association's Division 48, the Society for the Study of Peace, Conflict, and Violence newsletter editorial team for *The Peace Psychologist* has just published the Fall/Winter 2020 issue to this webpage: <http://peacepsychology.org/the-peace-psychologist>. Robin Lynn Treptow is the newsletter Editor.

Among many interesting and informative articles and stories my friend and colleague Antonio Jinenez-Luque and I have an article in there titled, *Peace Leadership and Cultural Diversity: Considerations for Our Common Future*. We hope you find the article useful and of interest.

With appreciation,

--Joseph T.
