Louise, Kirk and all,

I encourage participation to Kirk's session sponsored by D48 (Peace) and I attach our D48 full program here, which may interest many as well. I add Kirk's session is available for CE and focuses on a timely and significant topic.

Warmly,

Hi Louise (all),

For those interested: The following is a description of my skill-building session on the Experiential Democracy Dialogue at the upcoming APA Convention Sat. Aug. 6 from 2-3:50pm at the Minneapolis Convention Ctr. Level 1, Room 101E.

This session will provide an overview of a one-on-one approach to bridging cultural and political divides in our country--the "Experiential Democracy Dialogue." Following an introduction, the audience will be placed in pairs to practice the approach.

I hope to see some of you at the session,

Warm regards,

Kirk
