

## Information on my 2021 APA Presidential Campaign-Voting Starts Sept. 15

From: [Kirk Schneider](#)

Dear all,

This is a brief note to provide some information on my 2021 APA presidential campaign and to urge those of you who are members of APA to *vote*. Only 7% of our membership voted in the last presidential election, so that means that 93% can potentially get involved this year and help transform our field and society. That is essentially what my campaign is predicated on (and I believe it has significant international implications as well). On that note, I encourage you to check out the following links--the first a 2-minute APA Campaign Summary

(<https://www.youtube.com/watch?v=New1Jd3CsMw> ) and the second a 10 min. full statement about my vision and platforms (<https://www.youtube.com/watch?v=B1H-nkGvO-8&t=30s> )

Third I've attached a campaign summary flier that I urge you to distribute if you're so inclined. I thank you deeply for your time and consideration of this message and hope we can work together to address what I view as our society's number 1 psychosocial crisis--"emotionally impoverished relationships."

Warm regards,

Kirk
