

Interviews with theoretical and philosophical psychologists abroad

Dear Colleagues and Friends.

While we are waiting for these links to appear on Dev. 24 website, I uploaded the interviews on my page

<https://www.wolgalouchakova.com/psychology-worldwide-2/>

Please let me know if you find these useful, if you are interested in having this series continued in the future -- and any advice as to whom you'd like to be interviewed.

Thanks to Div 24 for the support of the project.

Olga
