

## Pluralistic Societies Conference - University of Copenhagen

Dear Louise,

I would like to alert our members to a two-day conference that my colleague Thomas Morton and I have organized at the University of Copenhagen. The title is "Pluralistic Societies: Challenges and Opportunities of Cultural Diversity in Liberal Democracies." And it will take place on June 7th and 8th, 2023.

Professors Richard Shweder (University of Chicago) and Jolanda Jetten (University of Queensland) will deliver the keynote talks.

Some members of the group might be interested in attending, or might share the announcement with their students. More information is available via this shareable link: [https://www.seamusapower.com/files/ugd/68a3e3\\_05fe5a68051c4d1c87d92081f5aba9e9.pdf](https://www.seamusapower.com/files/ugd/68a3e3_05fe5a68051c4d1c87d92081f5aba9e9.pdf)

We have a small number of bursaries to support attendance for some scholars who might need it. The deadline for expressions of interest is March 1st, 2023.

Cheers,  
Séamus.
