

Dear IP listserve:

I wanted to invite you, as a member of the organizing committee and the scientific committee, to the 7th International Conference on Community Psychology. This conference will take place in early October of 2018. You can submit abstracts for an international symposium or a paper presentation here https://www.cipc2018chile.cl/modalidades-de-trabajo/?lang=en#presentacion_carteles - try to submit something by January 8, 2018 if you can!

Please feel free to reach out and ask questions directly about this conference if you would like (email is: datallah@bu.edu; and my phone is: [+1 \(617\) 637-7855](tel:+16176377855); and my Skype ID is: devinatallah. I was able to attend the previous International Conference on Community Psychology, which was in 2016 in South Africa, and I can tell you that it tends to attract dedicated scholars, community activists, community-based researchers, social justice advocates, and critical thinkers at the forefront of decolonial theory in psychology in the Global South. I highly recommend it!

Best,
-Devin
