

From: Theory & Psychology

Theory and Psychology recently accepted the article "Epistemic violence in psychological science: Can knowledge of, from, and for the (othered) people solve the problem?" by Barbara S. Held.

The article can be accessed here:

<https://journals.sagepub.com/doi/full/10.1177/0959354319883943>

We have designated this as a target article and invite readers to submit proposals for an open peer commentary.

To submit a proposal, please send a short abstract to the editor, at tpeditor@uoguelph.ca no later than January 31, 2019. Your proposal will be evaluated and if it is accepted, full commentaries will be due no later than March 16, 2020.

Accepted open peer commentaries will be collected and published together with the target article in Theory & Psychology.

Sincerely,

Dr. Kieran O'Doherty
